PROFESSIONAL BACKGROUND

Newton is a Richmond native, with vast knowledge of Richmond's history and culture, as well as it's economic growth. A lifetime of observations and experiences, in both the residential and commercial real estate markets, allows him to provide his clients with valuable knowledge and a positive and smooth experience when navigating the Richmond Real Estate Market.

Not only is Newton very client oriented, he also works well with Buyers and Sellers in all price points. Though his knowledge is where he offers the most value, it is his genuine desire to help his clients have the best and most hassle free experience, when shopping the Richmond real estate markets, that people seem to appreciate the most!
